## Wichita Home Show 2018

The Wichita Home Show, February 8-11, provided a great opportunity to raise awareness of AMBUCS and Amtrykes. With the Air Capital trailer and a variety of Amtrykes on display, members distributed flyers and answered questions about the Amtryke program. A slide show featured smiling Amtryke recipients and happy families.

The booth also featured the debut of Air Capital's Plinko game. Purchased a year ago, and refurbished by club members, the game provided entertainment and small prizes.

An additional attraction was a drawing for a ROADTRIP Grill, donated by the Coleman Company.

Thanks to LP Jordan, project manager for the event, and to all who volunteered to help set up the booth and promote Air Capital AMBUCS during the show.
