Respite Care Parking Lot Party

- 2 Air Capital members were invited to participate in a Parking Lot Party on September 22, at Trinity Heights United Methodist Church in Newton. The event was organized by Trinity Heights Respite Care as a fun event for families and a way to raise community awareness for children with disabilities.

- 3 Against the backdrop of a pleasant fall afternoon and music by local band, *Outside the Walls*, families enjoyed games, bouncy houses, a bake sale and a silent auction.

Previous Amtryke recipients were invited to ride around the parking lot, and Air Capital members were available to provide maintenance if needed.

Amtrykes were on display, and Curtis Stubbs offered rides on his Tadpole model tryke in return for a donation. Other members grilled hotdogs and served them up with chips, bottled water, and popsicles.

According to Director Connie Rickard, the event netted about \$700 for Trinity Heights Respite Care.

From the President...

Fall is finally in the air and that means Fall Branding Time. Jeff tells me he has a great contest and it involves money. I don't know about you, but I like money. This is the time to invite people to meetings and events. What could be better than showing people what we do and making money.

There is a great event coming up to invite people to - Family Fun Day at Hope in the Valley. This is one of my favorite events, and I encourage all members to come out and see our recipients riding their Trykes and horses.

LP Jordan, President

It’s Fall Branding Time!

According to Jeff Harris, friendship committee chair, there’s no time like now to invite your friends, co-workers, neighbors and relatives to an Air Capital event.

This year’s Fall Branding Time has some great incentives. Each new member that you bring in will get you \$20. For every qualified person attending, you can earn an additional \$5.

To clarify, a qualified attending person: (1) has not been to a previous Air Capital meeting; and (2) is old enough to join and is capable of paying dues. If a potential member attends more than one meeting before joining, only one meeting qualifies for \$5, plus \$20 for joining.

MCC Flatlander Bicycle Ride

On Saturday, September 15, Air Capital AMBUCS provided a SAG stop for the MCC Flatlander Bicycle Ride in the Newton area. Members served fruit, cookies and water at their location on South Kansas Avenue near the Chisholm Trail Mall.

The Flatlander is an annual for the Mennonite Central Committee. The goal for the 2018 Bicycle Ride was to raise \$10,000 for a water project to support food security and community organization among women in the Eastern Highlands of Guatemala,.
