There were plenty of smiles on Saturday, December 15, when six youngsters received the gift of an Amtryke.

The event took place at the Ashley Home-Store warehouse. Thanks to a generous gift from Jay and Debbie Storey and their Ashley Furniture HomeStores, Air Capital members were able to present AmTrykes to six children on our wish list.

Upcoming Events:

*Big Hat Meeting - 1 p.m.
Sunday, January 13 - Merle's Place, 440 N. Seneca St.*

As family members watched and gave assistance, Air Capital members made adjustments as needed to fit each child. Then it was time to ride in the large open space available.

Members of the Storey family provided drinks, cookies and pizza, and mingled with those present.

Family members of Amtryke recipients expressed their gratitude on a "Thank You" poster for Jay and Debbie Storey.

December Tryke Build at Brian's Garage

Two GWTA members joined Air Capital members at Brian Cavin's garage on a Sunday afternoon, December 9, to assemble six Amtrykes.

The Trykes were unpacked and assembled, then loaded into the Air Capital trailer in preparation for the presentation to be held at the Ashley HomeStore warehouse on Saturday, December 15.

From the President...

It's the start of a new year and a time to look forward to helping our recipients. In order to continue to help, we need new members. If everyone brings in just one new member this year, we double our size.

It's also time for those New Year's Resolutions. We all make them and rarely keep them. I would like for each of you to resolve to bring one person to every monthly meeting. Give them a chance to meet us and see what we do.

Happy New Year!

LP Jordan, President
