Amtryke Presentation with Order of the Easter Star

Two-year-old Emerson was the happy recipient of an AM12 Amtryke at the Masonic Home in Wichita on February 9. The event was planned as part of a special conference of the Order of the Eastern Star.

Although Emerson was a bit shy at first, she soon was riding her new tryke around the room and into the hall, and was very happy to learn that it was going home with her.

The Kansas Grand Chapter of the Order of the Eastern has chosen to support Air Capital AMBUCS this year in our mission to promote mobility and independence through the donation of therapeutic Amtrykes.

Wichita Home Show 2019

Air Capital AMBUCS made its annual appearance at the Wichita Home Show, February 7-10, at Century II Convention Center. With a variety of AmTrykes on display, members were able to share information and increase awareness of the organization.

Contacts were made with potential applicants, who were able to try out a tryke or two. Members also shared information about coming events, including the Chisholm Trail Bike Ride in May and the Golf Scramble at Sand Creek Station Golf Course in October.

A big "Thanks" to Jeff Harris, who transported Amtrykes and set up the display, and to members who volunteered many hours at the 4-day event.

Heroes with a Heart for AMBUCS

On Saturday, February 23, Air Capital member Curtis Stubbs took his tadpole Amtryke to Ponca City to participate in the annual AMBUCS visibility ride sponsored by the Charity Angels and the Ponca City Noon Club.

About a dozen participants, including local dignitaries, Amtryke recipients, and club members, rode the 4.8-mile route with sunshine and a good tailwind. Their destination was the Heather Cannon Honda dealership, where lunch was provided.

Activities there included the presentation of Amtrykes to two happy youngsters. In addition, veterans interested in applying for an Amtryke were encouraged to try out Curtis's tadpole and a tryke with underseat steering.

Adaptive Trykes for Amazing People!

Tryke Build

Air Capital members gathered in Brian Cavin's garage on Sunday afternoon, February 17, to assemble 6 Amtrykes.

Brian, Karen Blume and Curtis Stubbs were assisted by 5 friends invited by Brian. Big thanks to Dakota, Annette, Shaun, Alyson, and Charla for all your help!

Saint Patrick's Party

Anita and Jeff Harris will host our Saint Patrick's Party at their home, 2042 Forest Park, in Derby, at 6 p.m. Saturday, March 23. Bring a side or dessert to accompany Irish-themed main dishes, and beverage of your choice. Guests are welcome!

Congratulations, Jeff!

Jeff Harris selected the winning King of Spades in the 50-50 Drawing at the February 21 Air Capital meeting. The pot had risen to \$1379, so Jeff received \$690.

As the shock subsided, he insisted on covering the check for everyone's meal. Thank you, Jeff!

From the President...

I want to thank everyone for their support at the Home Show this year. I want to thank everyone that took the time to help with the booth. I especially want to thank Jeff for getting everything set up and the time he spent manning the booth. I want to thank Curtis for the amount of time he spent manning the booth. When I saw how much time he had signed up for I thought he was going to homestead the place.

The Home Show is a great place to showcase what we are all about. It seems like every year I talk to more and more people who know who we are and what we do. And I get a lot of people thanking me for what we do.

LP Jordan, President
